

Summer 2022 Course Schedule

June 6 – July 24, 2022

Advising Period: Begins April 11

Registration Period: April 25 – May 9

Add-Drop Period: June 6 – June 12

Class size may be limited for certain courses. Please register as soon as possible to reserve your seat.

OMP 1000 clinic procedures i (pre-requisite to clinic observation I) is a self-paced on-line OSHA/HIPPA training course that can be completed at your convenience prior to beginning observation I. OMP 2000 clinic procedures ii is a training refresher course that must be taken one year after completing OMP 1000. OMP 3000 clinic procedures III is a training refresher course that must be taken one year after completing OMP 2000.

Some Summer 2022 courses will be offered in a hybrid format. A hybrid course merges the face-to-face interactions of a traditional course with the flexibility of a directed study course, while covering all material that would be covered in a traditional course offering.

Notable Dates

**Late registration fee of \$50 will be assessed for all registration forms received after May 9, 2022

**Clinic shift requests received after May 9, 2022 will be considered after those received during the registration period have been finalized.

**PIHMA College and Clinic will be closed on May 30, 2022 in observance of Memorial Day, and July 4, 2022 in observance of Independence Day.

PIHMA reserves the right to change the course schedule and faculty as circumstances warrant.
