

Summer 2023 Course Schedule

June 5 – July 23, 2023

Advising Period: Begins April 10

Registration Period: April 24 – May 8

Add-Drop Period: June 5 – June 11

Class size may be limited for certain courses. Please register as soon as possible to reserve your seat.

OMP 1000 clinic procedures i (pre-requisite to clinic observation I) is a self-paced on-line OSHA/HIPPA training course that can be completed at your convenience prior to beginning observation I. OMP 2000 clinic procedures ii is a training refresher course that must be taken one year after completing OMP 1000. OMP 3000 clinic procedures III is a training refresher course that must be taken one year after completing OMP 2000.

Some Summer 2023 courses will be offered in a hybrid format. A hybrid course merges the face-to-face interactions of a traditional course with the flexibility of a directed study course, while covering all material that would be covered in a traditional course offering.

Notable Dates

**Late registration fee of \$50 will be assessed for all registration forms received after May 8, 2023

**Clinic shift requests received after May 8, 2023 will be considered after those received during the registration period have been finalized.

**PIHMA College and Clinic will be closed on May 29, 2023 in observance of Memorial Day, and July 4, 2023 in observance of Independence Day.

PIHMA reserves the right to change the course schedule and faculty as circumstances warrant.
